The screenshot displays a web browser window with the Derivio Internet Billing Administration interface. The top navigation bar includes links for Work Items, Communication, Quality Control, Administration, Customer Service, Marketing Tools, Operations Center, and Reports. The left sidebar lists Administration, Users, User Groups, and Configuration. The main content area is titled 'Parsing and Loading Parameters' and contains a message: 'The following information is required to define Parsing and Loading parameters'. Below this, the 'Parsing Parameters' section is visible, showing fields for 'Type of Print - Stream' (set to ASCII Text), 'Frequency of Input' (set to Daily - Enter Day Of Month), and 'Pre-Enroll Using Bill' (set to One Time). A checkbox for 'Is Customer Number Available in Bill' is also present, set to Yes. The bottom of the page features a copyright notice: © 1999 Derivio. All Rights Reserved.
